

Time switch daily cycle with reserve

EH111

Technical Properties	
Type of programming	analog
Cycle	daily
Shortest switching time	15 mn
Number of program steps	96
Supply failure reserve	200 h
	120
Summer / Winter time change	manual
Type of contacts	1 changeover
Supply voltage	230V AC
Frequency	50 Hz
Breaking capacity	16A 250V AC1
Max. power with incandescent lamps	900 W
type of connection	with screw
Connection cross-sect. rigid cable	1 / 4mm <sup>2</sup>
Connection cross-sect. flexible cable	1 / 4mm <sup>2</sup>
Operating temperature	-10 to 55
Storage temperature	-10 to 55 °C
Protection index IP	20
Number of modules	3
