

Auxiliary for centralised control

EPN050

Technical Properties	
Rated current	1
Rated operational AC voltage	110/230
Frequency	50 Hz
type of connection	with screw
Connection cross-sect. rigid cable	1,5 / 10mm <sup>2</sup>
Connection cross-sect. flexible cable	1 / 6mm <sup>2</sup>
Command voltage AC	110/230
Operating temperature	-5 to 40 °C
Storage temperature	-40 to 80 °C
Number of modules	0,5
