

**AC WLAN POF/UAE 1xUp rw 2,2 mm**  
**22610405**

integrated data outlet (RJ45) 100 Mbit/s;  
POF network connection (2.2 mm); with center plate and wall plate  
EAN: 4043921658789  
Farbe: pure white (similar RAL 9010)

**Performance features AC WLAN**

|                                                   |                               |
|---------------------------------------------------|-------------------------------|
| Wireless data rate                                | 150 Mbit/s                    |
| Wireless standards                                | IEEE 802.11 b/g/n             |
| Band                                              | 2,4 GHz                       |
| Security and encryption                           | WEP, WPA, WPA2                |
| Types of function                                 | Accesspoint, Repeater, Bridge |
| Settings in integrated Web server                 | •                             |
| Additional data output via RJ45 jack (100 Mbit/s) | •                             |
| Integrated WLAN antenna                           | •                             |
| Fits in commercial flush-mount installation boxes | •                             |
| POF connector                                     | •                             |
| Design compatible                                 | •                             |

**Electrical characteristics**

|                         |                     |
|-------------------------|---------------------|
| Power                   | 230 V, 50 Hz        |
| Rated operating voltage | 100-240 V~/50-60 Hz |
| Power consumption       | max. 3 W            |

**Dimensions/Weight**

|        |       |
|--------|-------|
| Width  | 80 mm |
| Height | 80 mm |
| Depth  | 50 mm |
| Weight | 115 g |
