

69586-B24

Cat 6 Flat UTP 110-Style Patch Panel, 1RU, 24-Port, with earthing jumper, cable management bar, and cable management clip. Available in Europe only.

Leviton Cat 6 Flat Unshielded 110-Style Patch Panels are designed for use on 19-inch standard racks and cabinets. Patch panels include patented Retention Force Technology, which promotes consistent performance over the life of the system. Installer-friendly design allows for quick installation due to standard 110 terminations on the rear of the panels that follow the normal installation color sequence (blue, orange, green, brown) from left to right. The Cat 6 system is designed for use in high-megabit applications such as Gigabit Ethernet.

Features and Benefits

- Patented Retention Force Technology™ protects tines from damage and increases system longevity
- Craft-friendly installation
- Universal T568A and T568B wiring cards for 110-style IDC terminations
- Color-coded front labelling for easy port identification (ANSI/TIA-606-C compliant)
- Terminates 26-22 gauge solid conductors
- Capable of multiple re-terminations
- 4mm² (12AWG) standard compliant earthing jumper allows earthing flexibility
- Cable management clip secures cables quickly, without the need for user supplied ties or wraps
