

**Light fitting SPMP, surfaced, 2x48 LED,
3000 K, nanoprizmatic PMMA cover,
370mm, 700mA**

Code: **SPMP3KN370V2/700ND**

EAN: **8595073718041**

Luminaire properties

Product category:	Downlight	Material housing:	Steel
Color housing:	White	Degree of protection (IP):	IP20
Mounting method:	Surface mounting		

Light source

Lamp type:	LED	Rated life time L80/B50 (h):	80000
Suitable for number of lamps:	1	Lamp power (W):	28
Effective luminous flux (lm):	2600	Color temperature (K):	3000
Color rendering index CRI:	80-89	With lamp:	Yes

Electical properties

Dimmable:	No	Type of dimming:	Not dimmable
Type of control gear:	Electronic transformer	Protection class:	II
Nominal voltage (V):	220...240	Control gear included:	Yes
Emergency light:	Not equipped		

Optical system

Optical system:	KN	Light sharing:	Symmetric
Color cover:	White	Light outlet:	Direct
Material cover:	Plastic, structured/prismatic		

Dimensions

Outer diameter (mm):	370	Height/depth (mm):	40
Weight (kg):	2		
Type of surface:	Matt
