

## Green Indicator light 230VAC

SVN121

### Technical Properties

Rated operational AC voltage	230
Frequency	50/60 Hz
type of connection	with screw
Connection cross-sect. rigid cable	0,75 / 10mm <sup>2</sup>
Connection cross-sect. flexible cable	0,75 / 6mm <sup>2</sup>
Operating temperature	-20 to 50 °C
Storage temperature	-40 to 80 °C
Protection index IP	20
Number of modules	1
